

PRIDE NAME: _____

DIRECTIONS: Today, you will create a vision board for the Elephant Graveyard scene. Use the word wall you created in class today as a starting point for your vision board.

For example if the color “red” is on the word wall and your group’s description “feels red,” look for images that are red to help describe the feeling of your scene.

1. Read the description of your scene:

Simba and Nala have disobeyed Zazu and have run off to the elephant graveyard where hungry hyenas roam. This is beyond the borders of the Pridelands, and the cubs find themselves in real danger before they are saved by Mufasa.

2. Using the materials provided, create a collage that shows the words, colors, and emotions from the word wall for your designers. Follow the steps below in order to create an exciting and impactful vision board for your scene!

- Write the name of your scene in an obvious spot on the collage.
- Look through your provided materials for any images or words that you feel represent your scene.
- Work as a team to put the images and words you’ve found onto your vision board in a creative way.
- Make sure everyone in your Pride contributes to the vision board so that it is truly a collaborative project, just like *The Lion King* on Broadway.

TIP

It may be helpful to have some Pride members cutting and choosing materials while others paste and organize the vision board.

PRIDE NAME: _____

DIRECTIONS: Today, you will create a vision board for Pride Rock. Use the word wall you created in class today as a starting point for your vision board.

For example if the color “red” is on the word wall and your group’s description “feels red,” look for images that are red to help describe the feeling of your scene.

1. Read the description of your scene:

Rafiki has called to the animals of the Pridelands to make a great announcement: the future king has been born! The animals of the Pridelands gather for a ceremony to welcome Simba.

2. Using the materials provided, create a collage that shows the words, colors, and emotions from the word wall for your designers. Follow the steps below in order to create an exciting and impactful vision board for your scene!

- Write the name of your scene in an obvious spot on the collage.
- Look through your provided materials for any images or words that you feel represent your scene.
- Work as a team to put the images and words you’ve found onto your vision board in a creative way.
- Make sure everyone in your Pride contributes to the vision board so that it is truly a collaborative project, just like *The Lion King* on Broadway.

TIP

It may be helpful to have some Pride members cutting and choosing materials while others paste and organize the vision board.

PRIDE NAME: _____

DIRECTIONS: Today, you will create a vision board for the Jungle. Use the word wall you created in class today as a starting point for your vision board.

For example if the color “red” is on the word wall and your group’s description “feels red,” look for images that are red to help describe the feeling of your scene.

1. Read the description of your scene:

Simba runs away from his problems and meets Timon and Pumbaa. The unlikely friends show Simba around their jungle home and welcome him to paradise. They explain their motto: “Hakuna matata”... no worries!

2. Using the materials provided, create a collage that shows the words, colors, and emotions from the word wall for your designers. Follow the steps below in order to create an exciting and impactful vision board for your scene!

- Write the name of your scene in an obvious spot on the collage.
- Look through your provided materials for any images or words that you feel represent your scene.
- Work as a team to put the images and words you’ve found onto your vision board in a creative way.
- Make sure everyone in your Pride contributes to the vision board so that it is truly a collaborative project, just like *The Lion King* on Broadway.

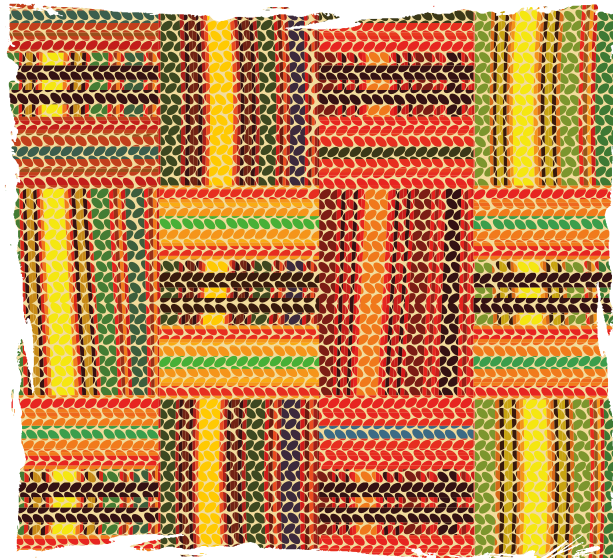

TIP

It may be helpful to have some Pride members cutting and choosing materials while others paste and organize the vision board.
